FOOTGOLF FAQ's

How do I maintain social distance on the course?

You must remain 2 metres apart at all times. If you are playing in a “two ball” with someone who does not live in the same household as you. There will be 10 minute intervals between each game to ensure social distancing and you must allow the group in front to exit the hole ahead of you before you take your shot.

Do I need to book in advance?

Yes, you must book in advance with the golf shop and also pay over the phone. Footballs are available to hire but we only have limited availability at the moment so we encourage you to bring your own footballs. On the day, you check in at the first window at the driving range. Here a member of staff will greet you and instruct you on how to play safely.

Who can I play with?

You can play with members of your own household up to a maximum of 4 people per group or you can play with one other person in a “two ball” as long as you remain 2 metres apart at all times.
